PART B

Office opening hours

Minute No 534

A discussion took place, at the request of the clerk, to consider amending the opening hours of the parish council office to the public. Currently the office is accessible during all working hours. The

clerk felt that it would be more beneficial in carrying out her duties to have certain hours each day closed with no interruptions.

Councillors were agreeable to this request and it was proposed that from 1ST April the office would be open to the public between the hours of 10am-1pm.

This would be reassessed in 6 months.

Riverside cleaner

Minute No 535

Correspondence was read out from a resident making a formal complaint that the riverside cleaner's dogs had caused a nuisance to their wife whilst she was walking her dog at Dollies Brae. The clerk reported this had been addressed with the riverside cleaner who had tried to apologise to the lady and had also confirmed he would no longer be taking his dogs to the riverside when carrying out his work for the parish council.
