

ACCESSIBILITY STATEMENT

Using this website

This website is run by loomi on behalf Arthuret Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reading (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand. We recommend that you use the most up-to-date version of your browser as all modern browsers allow you to change colours and font sizes. We've tried to create a site which doesn't get in the way when you change these settings

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

How accessible is this website?

We know some parts of this website aren't fully accessible:
